

LAKE COUNTY ART LEAGUE PAINTING WORKSHOP

Thomas Trausch, TWSA Master Status

April 20 & 21 (Saturday & Sunday); details below

“PUTTING PEOPLE / LIFE INTO YOUR PAINTINGS”

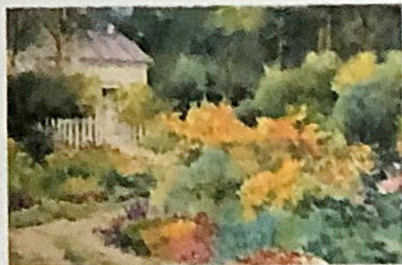

This unique workshop will cover instruction in multiple media (watercolor, oil, acrylic or pastel). Thomas Trausch will demonstrate in both oil and watercolor. There should be an opportunity for painting subjects to include scenes of/for the Art League's 90th Anniversary. Design, color, and value basics will be covered. Thomas stresses the importance of adding people/nature/life to your paintings, which will add a strong emotional quality to your work, and will demonstrate the steps for doing so.

Thomas has been a career artist for over 48 years. His travels and museum visits in the U.S. and Europe have influenced his works with the use of light and color. His more than 1400 original works are part of private, public and corporate collections across the U.S.

“The process of painting is what the journey is all about”

“The finished paintings are mile markers along the wondrous road of discovery.”

“The process is and always will be a thrill.”
